## SAVE THE DATE

**WHAT:** 10th Anniversary Reunion Dinner

**WHEN:** October 21st (Saturday) 5:00 - 8:00 PM

**WHERE:** Ed Brown Center Rancho Bernardo

Mark your calendars for the 10th Anniversary Reunion Dinner. It will be held at the Ed Brown Center in RB. It should be a lot of fun to see old friends. We need to celebrate our recovery: the great friends we have made and the people we have met that we would otherwise not have met.

Plans are in process. The committee is deciding on a caterer and investigating some live music.

This is a social event, so the whole family is invited.

We also want to thank everyone who helped us, so if there is someone special you would like to attend, send their name and email to [firedupsisters@gmail.com](mailto:firedupsisters@gmail.com) and they will receive an invitation in August. Let them know now, to save the date!

The event is free for Fired Up Sisters, their families, and those special friends who helped them during their recovery.

## HATS OFF TO VOLUNTEERS

Please plan to attend Saturday April 22 at 9:30 - 10:30 in the RB High School Performing Center. This event is always FUN! We have a FUS SC table with lots of goodies. We meet lots of people. Please come and support the FUS SC in the community. Janet Kling is our Hats off to Volunteers this year.

If you volunteered to bring goodies or "woman" the table, don't forget!

## Meeting Notes

The Fired Up Sisters gathered at the lovely home of Norma Heeter on February 22nd. As always there was plenty of food to share. Thank you Norma, we all love meeting at your home.

The Hats Off to Volunteers event (see above) was discussed and planned.

And the 10th Anniversary Reunion Dinner (also see above) was reviewed with a lot of input from

members. Invitations will go out in August and September with a required RSVP as we can plan how many will attend. The event is free for Fired Up Sisters, their families, and those special friends who helped them during their recovery.

It was noted that Brian Meinschein will also hold an event but the date is not yet known. He will attend our event on the 21st.

Finally, the SD VOAD will also sponsor a 10th anniversary event in November focusing on preparedness, first responders, and long term recovery. They expect 500-900 attendees. The FUS is urged to participate - either leading a session or sharing the experience - acknowledging the fire and talk about moving forward. It will emphasize success stories and new achievements since 2007 to be prepared for wildfires.
